Richard Adu-Asamoah, Bureau Chief
Leigh Martinez, Economist

NEW SCORECARD PROCESS

In Q2 of 2015, the Economic Research and Policy Bureau began publishing a new version of the Quarterly Scorecard that includes updated processes and methodology. Below is a summary of significant changes:

- ❖ Carriers are now grouped by the uppermost parent company identified by AM Best Corporation, rather than by the NM WCA-assigned carrier number. **Result: More current and accurate identification of corporate relationships, and more efficient tracking of changes such as mergers and acquisitions.**
- ❖ The graphic information presented on the first page of each section is now based on the 20 entities with the highest volume of indemnity E6 reports submitted for the preceding 12 quarters, rather than the same fixed 20 entities. The process will automatically “phase-out” companies that cease doing business in New Mexico, and “phase-in” companies that increase volume or become active, as needed. **Result: The summary information for each section now represents approximately 80% of indemnity E6 reports for the quarter, increasing from 75-77% before this change. Also, this change facilitates comparison of similar-sized companies.**
- ❖ Each quarter is now presented as a stand-alone quarter. Previously, the first quarterly report included Q1, second quarterly report included Q1+Q2, and the third quarterly report included Q1+Q2+Q3, and so on. Now each quarter will only include data for that quarter. Additionally, a summary report for the year will be prepared alongside Q4 to give reporters the whole picture of the year. **Result: Easier comparison between quarters and across periods, and earlier identification of problems within the filing system.**
- ❖ The detailed listing of reporting results is now listed alphabetically, rather than by Z-score. **Result: Easier to locate your company within the list.**

If you have any questions, comments or concerns about the new process, please call Leigh Martinez at (505)841-6896, or speak to anyone in the NM WCA's Bureau of Economic Research and Policy. Thank you!
